Team Building
& Problem Solving
Challenges:

Imaginative/
Experiential Play-
based Learning:

Fire-Pit
Finesse:

Tool Tasks:

Spike's Eco
Act:

* You do not need to provide all of the activities or cover all of the 4 sections per session; piece together your own unique session based on your needs, aims, group, and time constraints.
* Choose your activities from the respective sections of the website & refer to these separate plans of each activity for more details including: curriculum links; differentiation; learning outcomes; resources; key vocabulary; associated risk assessments; and extension ideas.
